

Hymn Player

Selecting Hymn or Prelude

1. Press the [HYMN PLAYER] piston.
2. Turn the [Select/Menu] knob to move the cursor to Mode.
3. Turn the [Value/Exit Menu] knob to select Hymn or Prelude.

Selecting Hymn number

1. Press the [HYMN PLAYER] piston.
2. Turn the [Select/Menu] knob to move the cursor to Hymn number.

3. Turn the [Value/Exit Menu] knob to select Hymn number.
Or while holding the [HYMN PLAYER] or [STOP] piston, press number with the general memory pistons.

Playing Hymn

1. Press the [PLAY] piston.
An introduction will play for the selected hymn.
2. When the introduction has finished, press [PLAY] piston again and the verse will begin. At the conclusion of each verse simply press [PLAY] piston again to hear as many additional verses as desired.

If NO introduction to the hymn is desired, turn the [Select/Menu] knob to Next, and turn the [Value/Exit Menu] knob to select Verse.

Press [PLAY] piston and the hymn will play the verse only.

Playing Prelude

1. Press the [PLAY] piston.
Automatically selected Prelude will play continuously.

MEMO

Press the [STOP] piston; the [PLAY/PAUSE] piston will blink, and Prelude will stop automatically at end of the Prelude. To stop Prelude, press the [STOP] piston again.

Changing Hymn book

1. Press [HYMN PLAYER] piston.
2. Turn the [Select/Menu] knob to select "Book".
3. Turn the [Value/Exit Menu] knob to select Hymn book.

This setting will return to the default value when you turn off the power, but you can store the setting so that it will be remembered even after the power is turned off. For details, refer to "Storing Your Settings (Customize)" (p. 20).
