# RODGERS

With the Rodgers Organ Architect system and the assistance of your Rodgers authorized representative, you can custom design your Trillium Masterpiece Series organ. Over 1,000 options are available for case designs, finishes, piston configurations, tonal specifications, actual sound samples, keyboards, and types of controls. At Rodgers Instruments, we are expanding the possibilities for you. Like a fine pipe organ, every Rodgers Trillium Masterpiece Series organ is an individual masterpiece. We would be honored to build one for you.
