- Travel 1.1 miles to the next stop sign.
- Turn left at this stop sign and cross the bridge over I-70.
- At the next stop sign (you have no choice but to turn either left or right) turn right onto CO 181.
- Follow CO 181. After the road goes up a hill and curves to the right you will see a sign almost in front of you that says “Mountain at Saddleback.” Continue straight at the intersection past the sign. You are now on Saddleback Drive. You will pass a Sales Lodge on the right for new homes on the mountain.
- Go for approximately 1.1 miles on Saddleback Drive. You will come upon an intersection as you come up the hill and curve a little to your right. Turn onto Elk Valley Drive on your right. This shortly becomes a dirt road.
- 239 is the first house on the right. Once you are on Elk Valley Drive, look to your right. Eventually you will see the roof top of a house as you pass the first set of mail boxes on the right. Continue on down the road.
- The driveway for 239 is just before the bend in the road going left and the place where another road curves off to the right. You will see a sign post with “239” and “Bennett” on it. This marks the beginning of the driveway. You need to make a very sharp U turn to get onto the driveway. The driveway is approximately 0.1 mile back to the house.
